

# Do Science and God Mix?

Do you or your friends wonder about the fusion of Christianity and science?

Don't miss Oxford University Professor, debater and author **John Lennox** distill the turbulent debate about science and faith in God. A pivotal event designed for skeptics, atheists, believers and anyone who wrestles with the claims of science and belief.

What is the ultimate solution?

**SYDNEY**

**Sydney Town Hall**

**Moderator: Jane Hutcheon, ABC**

**Monday 25 August**

**7:00-9:00pm**
